Dear Paul

I was delighted to read the Fall issue of your journal, which I did not know. Thank you for introducing me to it.

I am enclosing the review of Paul Davies' GOD AND THE NEW PHYSICS, which you commissioned from me. I had no fun writing it because the book did not teach me anything new. In any event I hope you find my hatchet job acceptable.

I am grateful for the \$100 honorarium you offered me. Kindly arrange for it to be disposed as follows:

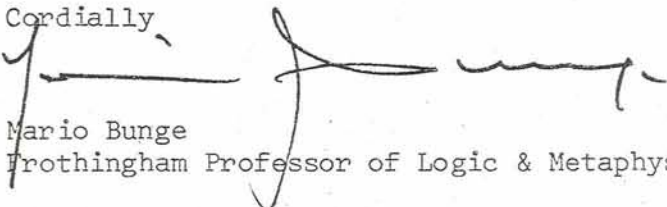

One year subscription for myself to Vol. 4

" " " " Prof. Alberto Hidalgo, President,
Sociedad Asturiana de Filosofía, Apdo. 952, Oviedo, Spain

The balance of \$72 to be deposited in my USA bank account together with the enclosed deposit slip.

(Hidalgo is one of the leaders of the Spanish movement for the full laicization of the school system.) He has also organized the first two Spanish congresses on the philosophy of science, attended by over 300 people.)

Cordially,

Mario Bunge
Frothingham Professor of Logic & Metaphysics
